

'Opening Minds to Make A Difference'

Are you a Great Communicator?

Do you have a passion for inspiring people to make a difference?

Development Consultants & Thinking Engineers

Due to exceptional client demand we require ambitious individuals as Development Consultants (£30k base upwards/no upper limit) and Thinking Engineers (£35k base upwards) to join our 12 strong Leicestershire based team.

Do you understand how individuals behave and the key organisational drivers for achieving business success? Could you be one of a team that provides outstanding programmes in employee engagement, leadership & management development, coaching and business improvement?

Key to the role is the ability to analyse clients' needs and deliver business improvement solutions. You will need to prove an impressive track record in this area together with extensive learning & development experience.

Our rewards strategy will offer the right individuals outstanding salary and career development opportunities.
